It has come to my attention that my comments re the proposed developments are not included as an objection. I wish to state that the reassurance regarding Gun post are appreciated but this still leaves my outstanding OBJECTION regarding the height of the proposed hotel development I regard the height for the prominent corner plot as inappropriate and the gull wings will elevate it still further crowding the promenade and shadowing the character terraced cottages behind. Incidentally it will also soon succumb to weathering on this exposed position .

Kind Regards
Jacky Oliver
