Comment from Greenspace

There does not appear to have been submitted a landscape scheme detailed which includes in plan form details of proposed landscaping listing proposed plant choice, actual numbers and size at time of planting. This needs to also show in context any existing trees and planting to be retained. The drawings submitted at present Proposed landscape Plan 232/05 is lacking this detail

I would suggest that there is insufficient information submitted and therefore **would not recommend the discharge of Landscape condition 7** imposed under consent FP/180/17/PL on this application FP/269/18/DOC until this information is submitted.
