Good afternoon,

I am the case officer for this application. Please see attached for the full consultation response from the Council's Tree Officer.

As it stands, he is unable to support the application and seeks you agree to a revised proposal for lesser works as part of the current application so as not to incur further delay. As such, please review the following amended description and confirm your agreement so that works can proceed with consent:

- Reduce height by no more than 2metres, in any event leaving a minimum of 16m above ground level.
- Reduce on all aspects to leave a minimum of 5metres radial spread when measured from the bark of main stem.
- Crown lift to ensure a maximum of 4metres overhead clearance on all aspects, 6metres above the carriageway.

I would appreciate your response by way of written confirmation by 1/5/26.

Kind regards,
Rhiannon
