Mr Temple,

At present the summer house would be used for visiting family members but with a longer term plan of accommodating the client's aging mother if the need arises.

Ideally, the client would not want any restrictions on usage other than it only being used by family and family guests.

Regards

Stewart Morris

Dear Mr Morris,

Further to my last email. Would you be able to specify what you mean by 'occasional residential use' for the outbuilding/summer house? Do you mean it will be used sometimes as a granny annexe or for visiting guests? How many times a year do you think this will be the case?

Hello Mr Temple,

Apologies, I appear to have overlooked this e-mail

I have spoken to my client and he is happy to agree an extension of time for the planning decision.

Dear Mr Morris,

I am the case officer dealing with the above application.

Unfortunately we are using an external company to help with the processing/admin of our applications. In this instance they have made an error with the application, meaning I am unable to make a recommendation on the application until Friday. A week after my 8 week target date.

I am sorry for the above, obviously I can't apologise on behalf of that actual company.

Would you be able to agree an extension of time until 31st March '17. It is likely I will actually make a recommendation this Friday (for approval) but we just need this additional time, in this instance.

Regards,

Richard Temple | Senior Planning Officer, Planning & Economic Regeneration, Arun District Council | Location: First Floor, Arun Civic Centre, Maltravers Road, Littlehampton, BN17 5LF
