

Ref: Q015

Date 25 April 2018

Bishop Tufnell Infant/Junior C.E. School  
Pennyfields,  
Bognor Regis  
PO22 6BN

Dear Mrs Dugan,

Revised quote for resin bonded rubber mulch play surface

Infants

To remove the top layer of soil in an area of 200sqm to a depth of 40mm in preparation of the resin bonded rubber mulch being laid.

To Supply and lay a resin bonded rubber mulch play surface measuring an area of 200sqm at a depth of 40mm.

The play surface will be laid in the same way but will have a finish height the same as the playground.

£14,010

To supply and install a soak away crate (1.2 cubic meters) on the corner of the path where the water collects.

Where the rubber play surface and the playground meet there will be a drainage issue, therefore a soak away crate is recommended.

£1,500

Cost £15,510

VAT £3,102

Total Cost £18,612

Sincerely,

Kerrin Cruftenden
