Dear Mr Rogers,

I refer to the above application.

It is not apparent from your application what is proposed in terms of materials. Whilst I have not completed checking your proposal in terms of whether PP is required or not, it would be helpful to know whether:

'The materials used in any exterior work shall be of a similar appearance to those used in the construction of the exterior of the existing dwellinghouse'

If you could specify external finishes then that would be helpful.

Many thanks,

Ross
