Hi Amber

The drive in total once the extension is completed would be 5.8 metres.

The current opening is 2.2metres and the extension is 3.6 metres.

Does that help?

Thanks Della

Dear Miss Hart,

I am the officer on your application at 23 Felpham Way. FP/273/21/HH

I have received comments from WSCC which I attach above.

They request additional information regarding the width of the crossover.

- Please are you able to provide details demonstrating both the existing and proposed VCO widths.

From their comments, dropped kerbs wider than 6.4m per dwelling would not be granted a licence and therefore they require this info to determine whether the permission would be implementable.

Thanks

Amber Willard
