Dear Sir/Madam,

Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD
Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 28th February 2022 which has been recorded as an objection with the comments as follows:

OWPC44734

You have to stop approving new estates that rely on the existing infrastructure, our surgeries, schools, roads, public transport, police and hospitals just can't cope. We were promised so much by former developers but once they got their houses they quickly forget what they promised. So now you expect that 2000 people can move into a nice new estate and then realise that they can't get a doctor or dentist appointment, struggling to get a school place, I wouldn't be surprised if they don't sue you or the developers. Think about the people who live here now as opposed to just thinking about money.

Your views as made above will be considered before the application is determined.
