Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)

Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: FP/274/21/OUT

Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD

Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 1st March 2022 which has been recorded as an objection with the comments as follows:

OWPC44746

Having moved from Hertfordshire in October 2021 to escape the constant and disruptive noise and building works, my objection seems obvious. However, my raised garden looks over the golf course and I bought for this reason. The vehicular circulation is already slow, noisy and struggling; meanwhile, with no extra planned additional amenities, the one small Premier shop, for those who do not drive, is all we have. The course is sometimes flooded, not ideal for building 460 units that will destroy the indigenous flora and fauna, including Woodpeckers, Jays, Robins, Squirrels and Deer that are regular visitors to the garden and its outlook. Additional space is needed in Felpham, not less. I will be raising further objections, since this is a plan generated by greed, without collaboration, environmental empathy or impact and the impending consequences to what is a peaceful haven for contemplation in the pursuit of relaxation for many hundreds of residents.
