Thank you for your internet representation made on 1st March 2022 which has been recorded as an objection with the comments as follows:

OWPC44750

It is already a struggle to live around here with no facilities being provided for the existing new builds without adding more. There has barely been any new roads built to accommodate all the extra vehicles on the roads so traffic is getting continually worse. There has been no new schools, dentists, doctors, etc so trying to get appointments anywhere is becoming increasingly harder. Our little village isn't equipped to deal with all of this extra housing until more facilities are provided. The roads and facilities should be built first to cater for existing housing before creating new housing!

Your views as made above will be considered before the application is determined.
