Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)

Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: FP/274/21/OUT

Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD

Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 1st March 2022 which has been recorded as an objection with the comments as follows:

OWPC44779

We overlook the golf course and this development will block out our view and our light. It appears that the buildings in front of us would be three storeys high and people would be able to look directly into our house and ruin our privacy. The golf course and surrounding woodland provides the last remaining habitat in Felpham for wild birds and animals. The volume of traffic created by 480 houses with an average of 2 cars in each household cannot be sustained by the access to the Downview Rd traffic lights. At peak times this could result in four to five hundred cars extra jamming up the local roads which are in a poor enough state as they are. No provision seem to be given to the primary and secondary pupil places which are already over subscribed, further more the local medical surgeries cannot take any more patients without sacrificing quality of health care. Try getting a Doctors appointment around here!! Due to the low lying nature of the ground there could be serious issues with flood control. We believe that this development will seriously impact the quality life in Felpham.

Your views as made above will be considered before the application is determined.
