Re Bognor golf club site, proposed new housing estate.

Downview Road is always busy and already a bottleneck at school times. This will only get worse and cause traffic jams constantly.

Of course Downview infants school is already bursting at the seams as is The College.

It is almost impossible to get a doctor's appointment, no NHS dentist available.

There are plenty of new houses being built in this area, no need for any more.

Finally, and most importantly, we cannot afford to lose any more green spaces. We need these for our well being and for places to walk etc.

Why is the golf club being moved anyway!

This must not happen!
