Town & Country Planning Act 1990 (as amended)

Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: FP/274/21/OUT

Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD

Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 2nd March 2022 which has been recorded as an objection with the comments as follows:

OWPC44821

The proposed site access would be completely unacceptable. The junctions of Golf Links, Wroxham Way, Whitelands and Outerwyke Road all joining Downview Road are frequently blocked and impassable. Children and families cannot cross roads safely already.

The 20mph roads are already crippled under heavy traffic and covered in pot holes.

Traffic often queues along the full stretch of Downview Road from the traffic lights at busy times.

We all understand the need for new housing. But this access route makes absolutely no sense at all. There are clearly other options to the north of the Golf Course to access the new A259.

Your views as made above will be considered before the application is determined.
