Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: FP/274/21/OUT
Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD
Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 2nd March 2022 which has been recorded as an objection with the comments as follows:

OWPC44823

It is outrageous to murder all the wildlife on the site of the Golf Club which is hundreds of years old and beautiful. Why can't the 480 homes be built on the empty field where the new golf course is proposed? Is it less attractive to live in? Has anyone done a survey of how busy Downview Road currently is during schooldays? It is incredibly destructive to impose even more traffic for years of building contractors and afterwards another 1000 vehicles able to utilise it? Of course this application reeks of corruption and criminality in my opinion. The members of the golf club (I am one), were asked a number of years ago to vote on the proposal without a single fact about what the site was intended for. The presentation was simply concerned with selling the idea of a beautiful brand new golf course. Nothing was ever mentioned about the destruction of the present one - and the impact on the wildlife and the imposition of dangerous levels of traffic and pollution. I STRONGLY OBJECT.

Your views as made above will be considered before the application is determined.
