Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: FP/274/21/OUT
Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD
Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 10th March 2022 which has been recorded as an objection with the comments as follows:

OWPC45071

Object as

1) road infrastructure already stretched during school start and end times, and Downview Road cannot cope with any additional traffic. Traffic congestion/delays is already a problem with long queues.

Notwithstanding the increased pollution caused by the additional traffic that will be queuing along Downview Road down to the traffic lights during these times. The current queuing times mean the level of exhaust emissions are not acceptable as it is for such a residential area.

2) Loss of greenbelt land is not acceptable. The local plan was meant to protect the village.

3) existing sewage system currently cannot cope with current demand. A slight rainfall means raw sewage is already being discharged into the sea. Additional housing will increase this. Again the current situation is not acceptable. The increased demands from additional housing will increase the amount of raw sewage discharged directly into the sea.

4) local doctors surgeries already stretched, and additional patients will affect the level of services provided.

5) local schools will be forced to increase capacity and will affect the quality of teaching by no doubt increasing teacher/student ratios.

Your views as made above will be considered before the application is determined.
