Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: FP/274/21/OUT
Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD
Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 11th March 2022 which has been recorded as an objection with the comments as follows:

OWPC45086

That is a ridiculous amount of homes for this particular area with no improved infrastructure to support it, especially doctors & dentists which has become a great problem in the local area. It seems strange to have access from golf links, why not the new road that was built at great expense across previously unspoilt countryside? Downview Road would end up as busy as Felpham Way which would mean a far less safe environment for the children getting to and from school, its already incredibly busy at those times since the last new estate was built. It will mean that the residential areas surrounding the Golf club will be adversely affected, most of these homes are owned by older people who purchased them because they were in a quiet area. I cant understand why this land is being considered for housing rather than the area for the prosed golf club location

Your views as made above will be considered before the application is determined.
