I would like to object against houses being built on Felpham golf course:

- 600 new houses would equate to approx. 900 plus cars which local roads cannot cope with.
- Since the roundel estate has been closed all traffic comes down Downview road.
- There has already been fatalities and life changing injuries in the Downview rd area
- The Downview school was extended when a new school was meant to be built else where causing traffic ques and excess traffic
- The gold course was built in the late 1800's why can it not be kept and upgraded to improve drainage
- 600 new houses will have an impact on the environment and flooding
- Felpham has not got the infrastructure for 600 more houses.
- Downview road is already overrun with traffic especial at school times and cannot cope
- The list against is endless and houses should not be built

Regards

Chris
