Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)

Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: FP/274/21/OUT

Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD

Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 17th March 2022 which has been recorded as an objection with the comments as follows:

OWPC45273

It will create more congestion in Downview road, every morning there is a traffic jam right back to and beyond our house which is about halfway down Downview road. Plus We often have to sit and wait for cars to move so that we can get back into our drive. More houses will mean absolute gridlock down this road. It is virtually impossible to get a doctors appointment any more with our doctor in Felpham. Last time I had to fight to get an appointment for my husband as they where just continually full every time we called for over a week.

The schools are at full capacity and the Downview school has already been extended at the detriment of outside space of the children's playground (less space and more children) it doesn't make sense. Especially as we keep highlighting that children are becoming more obese and how important exercise is , which brings me on to my final point the golf course is a place where everyone can walk in natural beauty and peace on their doorstep people don't walk through housing estates for pleasure. How is " The local plan will protect us" doing this when this development is not even on it?

Your views as made above will be considered before the application is determined.
