Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: FP/274/21/OUT
Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD
Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 17th March 2022 which has been recorded as an objection with the comments as follows:

OWPC45284

I am writing to offer a perspective from Flansham Park Health Centre.
Our surgery would naturally be obliged to provide medical services for the residents of this new development ; we would be unable to care for our current patients without a significant increase in infrastructure and staffing

The earlier development of site six in Felpham was not accompanied by sufficient resources for local health service provision and I am not optimistic we would receive appropriate resources if this development was approved.

There are other wider reasons for me to feel uncomfortable with this proposal but for the purposes of this objection, it is the medical services aspect which compels me to post this comment.
