Thank you for your internet representation made on 18th March 2022 which has been recorded as an objection with the comments as follows:

OWPC45329

I am very concerned about the amount of traffic in our local area, both during school times and in general. Another area of concern is that the current health facilities are struggling without adding another 480 households. I also have an elderly friend that lives in Rife Way (her garden backs onto the Rife river) who is very concerned about possible rising water levels and flooding when all of the grassed area of the golf course is replaced with concrete, where will the additional water be soaked away to? Has the rife area of the village been considered at all?

Your views as made above will be considered before the application is determined.
