Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: FP/274/21/OUT
Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD
Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 19th March 2022 which has been recorded as an objection with the comments as follows:

OWPC45345

Dear Sirs,

I am strongly opposed to the proposed development for the following reason:

The infrastructure locally is already massively over burdened; no more doctors, dentists, schools and the roads which are already over stretched will not support an increase in traffic.

The land already floods and creates drainage issues throughout the area without the additional pressure of more development. Building on a flood plain is clearly not very well thought out measure.

The quality of the usable land after development is poor and untenable for local residents. Just because it's there doesn't mean it's of any use to anyone as demonstrated by recent development adjacent to the existing golf club.

Loss of valuable wildlife and park land needed to sustain the environment and ecosystems.

Loss of a huge number of beautiful trees which takes a lifetime to mature and many residents like myself will not see again.

Increase in population in this area will exacerbate existing problems in terms of accessibility to all services as well as increased congestion in all our outdoor living space.

More tension in the community due to lack of facilities.

Regards

Della Beard.
