This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 20th March 2022 which has been recorded as an objection with the comments as follows:

OWPC45353

We went to see the plans for the development on the Bognor golf course and we can't believe you are going to use Downview road as access to the proposed housing development, Downview rd is very bust already and with speed humps and pot holes the road will not cope especially at the traffic lights, already when it's school time there is a 100 metre traffic jam at the lights, also there are hundreds off children walking to and from Downview school and there has already been accidents on Downview rd.

please use the Bognor bypass as access to the new housing development or better still build the new housing estate on where they want to move the golf course.

The Golf course is beautiful and hundreds of mature trees on which there are thousands of nesting birds, also there has been a family of Buzzards living in the trees for years.

Please don't destroy our beautiful golf course.

Your views as made above will be considered before the application is determined.
