Dear Sir/Madam,

**Town & Country Planning Act 1990 (as amended)**

**Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5**

Application No: FP/274/21/OUT

Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD

Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 22nd March 2022 which has been recorded as an objection with the comments as follows:

OWPC45469

It is hard to see how any current resident of Felpham or the surrounding areas will benefit from this development. Facilities such as schools, doctors surgeries, hospitals and roads already seem overloaded and the loss of more green space is concerning especially as we are being encouraged to promote such areas. What is the carbon footprint of this project? Not only the production of the housing infrastructure (concrete, heavy wagons, groundworks, gas, electricity, diesel emissions) but the loss of huge amounts of Carbon dioxide adsorbing and Oxygen producing plants and trees.

Your views as made above will be considered before the application is determined.
