Proposing to build up to 600 houses on land that although a golf course is pleasant parkland and once no longer a golf course should be turned into park land ,the cost would be minimal.

The idea of around 1800 families moving into this area will put a tremendous strain on the existing infrastructure. Flansham health centre can barely cope with their existing patient list ,this would be the straw that broke the camel's back.

I strenuously say no to this foolish planning application
