Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: FP/274/21/OUT
Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD
Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 23rd March 2022 which has been recorded as an objection with the comments as follows:

OWPC45486

I wish to strongly object to this proposed development and relocation of Bognor Golf Course.

My main objections are:

Traffic - Downview Road and surrounding roads (Goodwood Ave, Wroxham Way) are already at gridlock at school times. It already is just a matter of time before a child is seriously injured or killed, the roads have cars, bikes and pedestrians everywhere, adding to this will add pressure to roads that already can't cope with the volumes of traffic.

Wildlife - the area to be built on provides an established natural habitat for many species of wildlife, birds and trees. Including rare species. Already so much of their habitat has been removed with the building of Blake's Mead. The area is stunning as it is, developing it would be a real sacrilege.

Flooding - The area is a known flood plain for the Rife, why build houses on a flood plain?

Schools - Downview and FCC have already recently increased in numbers and both are already over subscribed - how can another 600 families be absorbed into these schools

Doctors & Dentists - already the local surgeries are full to over subscribed.

Developing this land would destroy Felpham as a village. I strongly object.

Your views as made above will be considered before the application is determined.
