Thank you for your internet representation made on 23rd March 2022 which has been recorded as an objection with the comments as follows:

OWPC45491

Where was this development in the Local Plan? What thought has been given to the increased local traffic due to this considerable number of new homes, particularly the gridlock that will be created on Downview Road? What thought has been given to the already severely overstretched local schools, doctors surgeries, hospitals and other local amenities? Already we have seen an increase in anti-social behaviour on our estate since the Blakes Mead development (pedestrians crossing our private estate dropping litter as they go, kicking over residents property on their verges), so what consideration will be taken for an inevitable increase again in this behaviour due to youngsters not having enough to do in the community? So much of our beautiful local area is being developed, so devastating for the local wildlife and countryside that is so enriching for our young children to see and experience every day. Please please please do not let this go ahead.

Your views as made above will be considered before the application is determined.
