Good Afternoon

I wish to air my concerns about the proposed build of 480 houses on the Golf Course

Downview Rd is already busy and with the extra traffic from the houses sit will become dangerous especially at school time.

The schools are already at full capacity where will the extra children be placed.

We are already overstretched at the Flansham park doctors surgery ,again where will all the extra patients go.

Flooding is another concern already made worse by the building of the new estate next to the golf course.

Also the poor wildlife which is struggling to survive with the building again of the estate.

Sincerely

Mrs J Gilbert
