Dear Sir / Madam,

I am writing to object strongly to the possible building of many hundreds of houses/ an estate on the above golf course.

It is really not sustainable. The roads (Downview and the A259) are already very busy and it will be a disaster to add more traffic!

The schools and doctors surgeries will not be able to cope with an increase of pupils and patients.

Also the golf course is full of beautiful unique trees and wildlife and would be lost forever to future generations if it is built on.

I hope the you will not agree to this building work.

I suggest making the current building maybe into a activity centre , where people can pay to take part in all kinds of activities and enjoy the peaceful surroundings.?!

Yours sincerely

Patricia Shaw
