Subject: Objection for the building of 600 houses near Downview Road, and Ancton Lane.

CAUTION: This email originated from outside of the organisation. You should take extra care when clicking links or opening attachments - if you are unsure the content is safe contact the IT Helpdesk before clicking or opening.

My name is Rohan Amick. I object to these house building plans for the following reasons.

1. There are too many houses being built as it is, which will lead to traffic congestion, need for more schools, and hospitals.

2. The environmental impact will be quite serious. There are quite a few large trees around these sites which need to be protected. They are also more suitable for more trees, not for planting more houses.

I have worked with countryside management and have a Diploma in Countryside Management.

Thanks,

Rohan Amick
