Thank you for your internet representation made on 27th March 2022 which has been recorded as an objection with the comments as follows:

OWPC45689

There will be traffic gridlock in Downview Road, More overcrowding at Downview and other local schools. Not enough space at Doctors or dentists now we don't need and more people in this area. The roads around Downview school are full of potholes now and with more traffic this will mean more holes. the planners don't keep to the number of houses first applied for and it could go up to 600. We will lose the open gap and the peace and quiet of the golf course area. Why can't they build houses where the proposed new golf course is and leave this one as it is? It will mean lots more young people dropping their rubbish and anti social behavior which we have had to tolerate since the Blake's Mead development. Please see sense Arun this is not fair to your residents to have yet more people with no extra Doctors, Dentists and Hospital and so much overcrowding on our local roads.

Your views as made above will be considered before the application is determined.
