This is not in the Local Plan

The traffic in downview road and the a259 at school time is already horrendous. Have you ever tried driving around there at that time? These residents suffer enough already. The school is already at capacity where will these extra children go? What about provisions for getting to see a doctor? Have you tried to get an appt in this area currently? The poor beautiful wildlife has already had so much disruption with blakes mead estate are we not trying to be environmentally friendly? During lockdown the golf course was a wonderful local resource. There is a huge crime and anti social behaviour problem on blakes mead this will only add to this problem. Hallam do business fro. Cardiff what do they know of our local area and what we need/want. Who is being paid huge sums of money in the council to let this go through? This will be a travesty if it gets the go ahead and a tragic loss of felphams environment for generations to come.

Your views as made above will be considered before the application is determined.
