Thank you for your internet representation made on 29th March 2022 which has been recorded as an objection with the comments as follows:

OWPC45758

I STRONGLY object to this planning permission, Downview road is already extremely busy during peak times, it is almost impossible to cross the road during school time. I have lost animals on the road due to speeding & high traffic.

The road is in a state pot holes are never dealt with due to the road being in such high demand they appear back as soon as they are eventually fixed.

It would be catastrophic for the environment, the crime rate will rise just like it has done in Flansham on those new build areas! We need more housing there is no denying that, but this plot of land is not the correct place!

Your views as made above will be considered before the application is determined.
