Dear Planning

I am writing on behalf of my elderly mother Mrs Ann Travers, 6 Third Avenue, Felpham PO227LN We wish to object in the strongest terms to the proposals to develop Bognor Regis Golf Course and Clubhouse This development is not in the local plan nor is the new proposed course and clubhouse north of Ancton Lane .

The continued building along the busy A259 is merging villages together and local identity is being lost.

We have continued congestion at the Downview Road lights and Felpham village continues to be a “rat run” even with the reduced speed signs.

Infrastructure is failing to keep up with demands for example sewage spills, local flooding and water.

Schools will be unable to accommodate increased demand.

Pressure on our medical centres grows .

The area will again have to absorb high density housing and will suffer loss of the unique local gap of nature and tranquillity we urge you to refuse this proposal and acknowledge local concerns.

Farmland will be built on in Ancton Lane...what about our food production needs?

Copied to Nick Gibb MP

Yours sincerely
