Subject: "NO" to 600 plus houses on Bognor Regis Golf Course !

CAUTION: This email originated from outside of the organisation. You should take extra care when clicking links or opening attachments - if you are unsure the content is safe contact the IT Helpdesk before clicking or opening.

I wish to make my views on the development of the Bognor Regis Golf course known, as it would be a terrible mistake and destroy a beautiful part of Felpham. I have lived in Bognor Regis for over 60 years and have seen the continued ruination of what was once a beautiful place to live.

The area is known to flood & the roads cannot cope with the traffic as it stands. This area is already grid locked at school drop off and pick up times as I know from trying to drive anywhere locally during these times & also from friends living in the immediate area of Downview Road. Schools have limited spaces and as for Dentists & Doctors' Surgeries, they cannot cope at the moment, let alone with all the additional houses that are planned!

I do worry that councillors who are involved in this very important call, do not know the area or the feelings of the local population.

THIS PLANNING APPLICATION IS PURE GREED !
