Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: FP/274/21/OUT
Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD
Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 29th March 2022 which has been recorded as an objection with the comments as follows:

OWPC45813

480 houses puts extra pressures on roads, local services that are already stretched. Loss of green space not just for golfers but public and walkers. Building houses on often flooded land would be expensive and at high risk. Better to look at more suitable locations. Completely wrong message for controlling climate change and supporting green ethos which is supported by Central Government but also needs full support from Local Authorities. We should stand up to poor development decisions that damage our environment. Not about making developers and builders, planning approvers more £ but protecting local residents and their children for better living conditions now and in the future. Invest in improving existing Golf Club flood control and support wildlife and green areas. A BIG objection to this proposal.

Your views as made above will be considered before the application is determined.
