Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: FP/274/21/OUT
Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD
Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 30th March 2022 which has been recorded as an objection with the comments as follows:

OWPC45859

Access is one of the main issues, already at peak times there are substantial queues and delays at the Downview Road lights, these will certainly be exacerbated by the proposed houses and the 1000 plus cars that would be associated with the additional properties. The second issue is around the services in the area including schooling and health. It is already difficult to get an appointment to see a doctor at the GP surgery, I can't believe adding around 2000 people to their patients list would make that any easier. The local schools would also have to absorb a substantial number of additional pupils which could adversely affect the current pupils. For these reasons I would like to object to this planning application.

Your views as made above will be considered before the application is determined.
