Dear Sir/Madam,

**Town & Country Planning Act 1990 (as amended)**  
**Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5**

Application No: FP/274/21/OUT  
Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD  
Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 30th March 2022 which has been recorded as an objection with the comments as follows:

OWPC45869

I object as these houses will cause more overcrowding at local schools and more pressure on already over stretched local services. It will also cause more traffic, particularly in Downview Road and on the A259. I particularly object on the grounds of environmental loss especially green space, trees, wildlife and habitat, as well as increasing sound and light pollution. Too many houses are already being built on green spaces at a time when we should be protecting them to benefit future generations by reducing our carbon footprint and our impact on the natural environment. The current footpath provides Felpham with a peaceful and tranquil walkway to further countryside benefitting not only the environment but also providing positive benefits to good mental health.

Your views as made above will be considered before the application is determined.
