Sir/Madam

I and my wife both strongly object to building houses on the existing golf course. The 480-600 additional dwellings will bring some 1000 additional cars to the roads with similar numbers of children to schools.

Our reasons for objecting are detailed below:-

- Inadequate service roads. Grid lock on Downview Rd (especially at school times); with same on A259.
- Grid lock on relief road at A29 roundabout and south at 'Halfords roundabout.
- The level crossing on A29 at Woodgate is heavily congested and will be exacerbated.
- Insufficient medical Practices
- Not enough school places.
- Interruption to existing public right of way footpaths.
- Resulting in inadequate open spaces with resulting pressure on local farm lands.
- NOT in the LOCAL PLAN.

Why Ruin an established golf course and build houses on it for members financial gain, to the detriment of local residents?

Kindly acknowledge.
