Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: FP/274/21/OUT
Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD
Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 31st March 2022 which has been recorded as an objection with the comments as follows:

OWPC45929

We oppose the planning application, for the following reasons.

Infrastructure

Downview Road would not be able to support the extra traffic especially during school times. This could also be dangerous to the children at the primary school.

Insufficient School and doctor spaces to support existing residents.

Flooding issues on golf course, covering more land with properties would put more pressure on drainage and local waterways and flood elsewhere.

Can the existing sewers cope with the increase in output, excess rainwater already causes overflow into the Sea/Rife.

Internet speeds are already low, new properties would need better fibre provisioning.
Potential water pressure issues.

Wildlife

There are currently bats in the trees surrounding Wellers Close, I'm worried disturbing their habitat and the increased light pollution could be detrimental.

Hedgerow destruction will reduce local biodiversity.

Reduced Green land.

Your views as made above will be considered before the application is determined.
