Dear Mr Easton

Arun DC Planning Application FP/274/21/OUT
480 houses at Bognor Regis Golf Club, Downview Road, Felpham, PO22 8JD

We have the following comments on the above application:

It would bring road intersections, urbanised character and housing development into close proximity to and visibility from public right of way FP153, which crosses the existing golf course land proposed for residential development.

The development would also bring varying degrees of visibility of new housing development from off-site public footpaths FP152, FP152-1, FP152-2 and FP154.

We object to the application because it will adversely impact the walking environment by building across views of golf course green space presently enjoyed from public rights of way in what is an important gap associated with Lidsey Rife, between built up areas of South Bersted and Felpham.

Yours sincerely

John Cooban
