I am writing to object to the planning application to build houses on the bognor golf course. I moved here in 2013 ready to retire, it was a quiet area, near the beach and open country side. Since moving in houses have already been built on the open land, this has caused more traffic in the road where I live, also the new road which has been built is very noisy, I can hear the traffic day and night. Anymore building is not acceptable due to noise, congestion, and loss of open country side.
