Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: FP/274/21/OUT
Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD
Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 2nd April 2022 which has been recorded as an objection with the comments as follows:

OWPC46051

How will the local services be able to cope with the proposed additional housing? The use of Downview as an access road is ludicrous, it was not designed to be used as a through road for an additional 600 houses. Felpham has already built its fair share of new housing and to encroach on more land will seriously impact the biodiversity of the landscape. Not only that but it's well known that the golf course is prone to flooding and by building houses this is only going to make the matter worse. Local schools are already at capacity, doctors and dentists are stretched and adding this amount of new houses into a small community will only impact local residents further. This endeavour seems to only benefit a handful of residents who are golf club members. Instead of moving the course why not invest in the current infrastructure?

Your views as made above will be considered before the application is determined.
