Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: FP/274/21/OUT
Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD
Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 2nd April 2022 which has been recorded as an objection with the comments as follows:

OWPC46080

There is no need to repeat the plethora of valid objections to this proposal. I will, however, point out my safety concerns. I am a member of BRGC and a resident of Golf Links Road.

I witness 'near misses' on a daily basis and I don't mean golf balls!

I mean school children trying to cross roads with cars bumper to bumper. I mean ambulances trying to negotiate entry into Golf Links Road which is precarious, to say the least, especially at school times.

Residents who chose to live in this area did so to enjoy the green space, to feel safe and to feel secure. This planned development is completely devastating to the majority of Felpham residents who wish their village to remain a village without further demands on its infrastructure. I totally understand the desire of golf club members to play uninterrupted, flood-free golf 365 days a year but most of them don't live locally and don't have to deal with the fall out! None of the promises for enhanced infrastructure following the Blakesmead development have been honoured. It is truly disgraceful to add insult to injury by contemplating further development.

Your views as made above will be considered before the application is determined.
