Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: FP/274/21/OUT
Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD
Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 4th April 2022 which has been recorded as an objection with the comments as follows:

OWPC46145

I object to this proposal as it will increase traffic along Felpham Way (the Charles Purley Way was constructed to take traffic away from the village.

Impact on the wildlife habitats, including Bats, Deer, and a large variety of birds.

Infrastructure not able to cope with present levels of traffic, local schools over subscribed, Only 1 Doctors Surgery and 2 Pharmacies.

Entrance to proposed site will impact hugely on the area, that is a quiet, residential area with a large percentage of Bungalows with elderly residents. Homes purchased for the quiet area, and will then be impacted, with traffic noise, congestion and pollution.

The impact on the Public rights of way and access to the beautiful surrounding countryside, that has already been lost with the Blake's Mead housing Development in 2014.

Felpham will struggle with another 480 houses that are not needed.

Flood risk level 3.

Please do not allow this to spoil our beautiful village and immediate areas.

Your views as made above will be considered before the application is determined.
