Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)

Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: FP/274/21/OUT

Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD

Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 4th April 2022 which has been recorded as an objection with the comments as follows:

OWPC46178

Firstly this proposed development is not in the ADC local plan.

It would create traffic chaos in Downview Road with the roads to the East side being used as 'rat runs' endangering pedestrians and cyclists as well as creating a nuisance to all the householders.

Southern Water cannot deal with the sewage now. They pump raw sewage out into the sea on a regular basis, so when you add the extra waste from this development and all the many others locally, the sea will no longer be safe to swim in.

Hallam Land Management claim that all the extra new residents will be absorbed by the current infrastructure but this is hard to believe. All the schools are full, Flansham Park Health Centre struggles to deal with the current situation, and there is no NHS dental care available locally.

All in all this would be a sad day for Felpham as it would lose its 'village' status and a very historic golf club. Richard and Sue Bateman
