Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)

Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: FP/274/21/OUT

Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD

Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 4th April 2022 which has been recorded as an objection with the comments as follows:

OWPC46183

Local roads are already at capacity with the current local schools. Traffic to Downview Road traffic lights already back up to Outerwyke Road during school drop off and collection. Other traffic trying to avoid the lights race down Outerwyke Road (even with the recent traffic calming bumps) and race down First Avenue. This is a flooding area so where will the water go, will it cause problems with the current housing?

The wildlife will not be preserved even with trees being planted and a few kept. There is lots of wildlife which needs to be preserved. The local schools and doctor's surgery are already at capacity. The new site will increase traffic along the A259. The site will also lose the wildlife which should again be preserved.

Your views as made above will be considered before the application is determined.
