Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: FP/274/21/OUT
Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD
Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 4th April 2022 which has been recorded as an objection with the comments as follows:

OWPC46186

This development would be highly detrimental to the Felpham area, imposing yet more strain on local roads, schools and healthcare facilities and is not in the local development plan.

The proposed access from Downview Road is foolish at best for self evident reasons. If this development goes ahead, then the access should be from the relief road to the north. The Site 6 access is, so why not this proposed development?

With no extra school(s) in the plan, the existing facilities will result in larger class sizes, not a good policy.

A doctor at Flansham Health Centre already stated that there is zero extra capacity available, an ever increasing problem.

Regarding the local development plan, the refused application below was 'a departure from the Development Plan'.

Thus this development should be refused on that basis alone.

Y/77/19/OUT Land south of Hoe Lane Flansham PO22 8NP Mr Van der Wee 06-09-19

Application for Outline Planning Permission for erection of ten dwellings with access from Hoe Lane
Resubmission of Y/20/18/OUT - This is a Departure from the Development Plan
Planning Outline Refused

Furthermore, building on a flood plain makes no sense given the ever worsening climate conditions.

Your views as made above will be considered before the application is determined.
