Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: FP/274/21/OUT

Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD

Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 5th April 2022 which has been recorded as support with the comments as follows:

OWPC46202

I support the plans in conjunction with the development of a new site for Bognor Regis Golf Club south of Grevatt's Lane (related application reference M/16/22/PL). As a member of the golf club I am familiar with the shortcomings of the existing site from poor drainage leading to long periods of course closure in Winter to the high cost of maintaining antiquated clubhouse facilities and a lack of space meaning there is no where to improve the golf facility. The site being close to local amenities, particularly schools, would appear to be favourably located for part residential development while opening up the majority of the land for public open space will inevitably lead to greater outdoor activity and associated improvement in wellbeing.

Your views as made above will be considered before the application is determined.
