Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)

Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: FP/274/21/OUT

Site Address: Bognor Regis Golf Club Downview Road Felpham PO22 8JD

Description of works: Outline planning application with all matters reserved, except means of access, for the erection of up to 480 new homes (C3), the formation of a new means of access onto Golf Links Road, together with the creation of new surface water drainage, new landscaping and habitat creation, ground works and other infrastructure and the retention and re-purposing of the retained club house (F2). This site also lies within the parish of Yapton, affects a Public Right of Way and is a Departure from the Development Plan. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 5th April 2022 which has been recorded as an objection with the comments as follows:

OWPC46266

I strongly object to the application in regards to the access being from Downview Road. Downview Road has just recently become a 20mph zone road to increase road safety and this application directly contradicts the desire and money spent to improve road safety in Felpham village. If the plans are to be approved the access must be from the new Felpham relief road as the new congestion must be diverted away from the schools. The roads are already over congested at peak times and the additional traffic will put children's safety at a higher risk. It is inexcusable to increase the risk of child safety if it can be avoided.

Your views as made above will be considered before the application is determined.
