Dear Planning Committee

I would like to object strongly to the proposed application to build on the current golf course site. Being a local resident, I know there are times when Downview Road, Wroxham Way are totally gridlocked and impassable, and the thought of addition traffic brought on by up to 600 homes is truly disgraceful, and just shows the arrogance of the developers in their disregards of the local community. I note that there has been serious objection made by, The Felpham Parish Council, Bognor Town Council, The Environment Agency, who have given a great deal of time and thought in laying out strategic plans for this area and West Sussex. Surely these groups should be considered to have a far greater interest and understanding of the needs in our local area, rather than a development company from Sheffield. You will probably find the people who want this build do not live locally and will not be affected by the major increase in traffic. All the local services are currently stretched to the full, and any development on this site, or close by, should be refused.

Your views as made above will be considered before the application is determined.
